Message from our Superintendent

Dear MHS Class of 2025,

Congratulations to you on your graduation from high school! There is no doubt that you have every reason to celebrate your achievement and this milestone in your life. We simply cannot wait to see how this class impacts our community and beyond in the future.

When you examine what it is that makes someone successful, I hope you will reflect on the many ways you have demonstrated success. For some of you that happened during a test, for others it happened on the field or on the stage, or while you assumed a role of student leadership at MHS. For still others, success represents a personal challenge you overcame during these years. You are all a success story. Success is defined by all aspects of your life and our community is so very proud of all of you.

Once you leave Middleborough High School, you will strike out on your own path. Whatever you choose, I hope you choose to be unapologetically you. The most valuable quality of our society is our differences and individual strengths we all offer. Your individuality has been on display during your years in high school and nurtured by all of your teachers, including your administration.

As you celebrate your well deserved achievements, please take time to thank your families, friends, and loved ones who have supported you through this important time in your life. I think you will come to find that the expression of gratitude is as important as achievement itself.

On behalf of the Middleborough Public Schools, please accept my heartfelt best wishes to each of you for a happy, healthy, and successful future.

Sincerely,
Carolyn J. Lyons

Carolyn Lyons

Message from our Principal

Class of 2025

Congratulations to the Class of 2025! To begin, one of the greatest joys in my life is the honor to have served as your Principal for the last four years. This class is beyond special and I will always cherish the amazing contributions you have made since the moment you walked into the high school to help make our school even better.

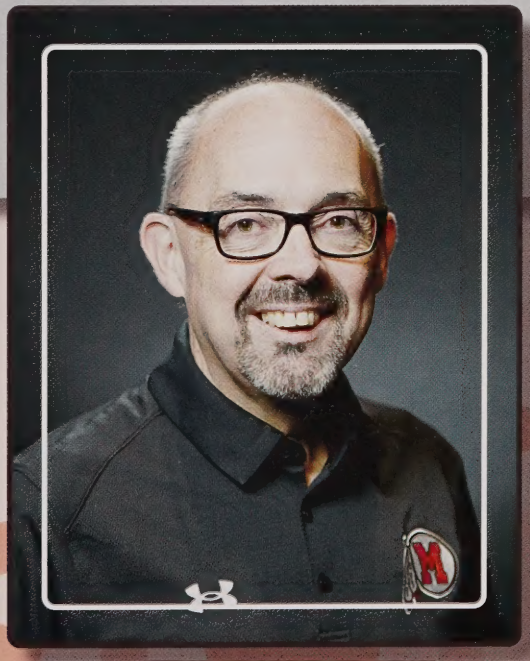
This class will be remembered for so many things. Amazing leadership, tremendous athletic accomplishments and celebrations, talented and creative artists, musicians, and actors that truly lit up the stage with every performance. This class demonstrated resiliency, advocacy, and commitment to make our school the very best it could be. This class became a strong and united front. This class embodied what every school wants in their senior class. You expected kindness, support, and love for your school from the other students. You modeled the very best of Sachem Pride, and it showed every day you stepped into the high school. Your teachers loved working with each of you. We all loved working with each of you!

The most powerful thing I will remember from this class that will carry with me for a lifetime is the strength, resilience, and grit of the Class of 2025. The Class of 2025 led our community into the new Middleborough High School, spending all four years in our new home. This responsibility came as this class returned to school in the fall of 2021 after their final year of middle school was spent in hybrid and remote learning due to the Covid-19 pandemic. I remember how this class started your high school experience with the challenges of returning to a normal schedule along with the trials and tribulations of how significant the transition to high school can be. With that in mind, each of you found your path, and each of you will graduate with success and a transformational story. Words truly can't express how proud I am of each of you for your academic and personal growth. I am proud of the people you have become. I am proud of where each of you are today.

This is the class that will truly Finish STRONG. I am deeply thankful to you for allowing me to share in your journey. I have learned from you. I have grown with you. I have been inspired by you. Our school will be better because of you. Thank you for leaving MHS better than how you found it. Thank you for never giving up on your school. Thank you for wearing the Black and Orange. I will miss you, your spirit, your energy, and most importantly....the difference you have made at MHS! I will never forget you.

Always be good to each other and never stop leading and inspiring.

Sincerely,
Paul F. Branagan Jr.



Paul Branagan

Message from our 2025 Class President

To the Graduating Class of 2025,

The time has come where we all part our separate ways. For many of us, this is something that always seemed so far away. As a kid, it feels like we would be doing the same thing for the rest of our lives; Getting up in the early hours of the morning, hopping aboard a bus, and going through the motions of an average school day. Days going by slowly but surely, with the days turning into months, and the months into years.

Before we knew it, our morning routines started even earlier, making the sweeping change from elementary to middle school. Instead of being in the same classroom with the same kids and teacher, we moved around the halls independently from class to class with our full grade as a whole, instead of split up into two schools like in elementary. Just as we became comfortable with this new environment, a year and a half into middle school life, we suffered significant change with a global pandemic. We watched the world shut down around us. Our 6 hour days in person turned into an hour online each day for the rest of the school year, an unprecedented and never before seen measure inside a school. Looking back at it, our seventh and eighth grade years truly made us change and adapt, coming at a time where we were just finding out who we really were as people.

Through and through, we stayed strong and united as a class, and entered the High School of August of 2021. Yes, the mornings got even earlier too. But, whether you enjoyed your High School journey or not, it is important to realize the truth of it all; It is inside the building that we made friends, memories, and goals that will be in our minds for the rest of our lives. It may not have been easy with those brutal nights staying up late after procrastinating for those Quizzes and Exams the next day, but once again the truth unfolded; it all "paid off."

Growing up with all of you has made me realize that we are ready to take on the real world. Some of you have plans for this "real world," and others don't. Whether you do or you don't, let me leave you with one piece of advice; great things happen when you just show up. Remember that regretting not doing something hurts more than anything. Remember how fast time flies. And remember how fast this journey came to an end.

It has been an honor to serve as Class President for the last four years. To quote Jayson Tatum, "We did it!," Now learn from this chapter to help you with your next!

With much gratitude and appreciation,

Jacob Waterman

Jacob Waterman

Dedication

William Breen

We thank you, Mr Breen, for over two decades of sharing your passion for the Spanish language and its cultures with your students, your compassion for students and staff in need, and your great sense of humor. We never doubted where your futbol loyalties lay. ¡Viva Barca! Your charisma and energy were evident everyday, and on football game nights, as well. Many mornings, students and staff were greeted with your music and dance moves as they strolled to their world language classes. Many Friday nights in the fall, throngs of MHS fans listened in rapt attention as you announced our football games, provided accurate information on players, plays, and always promoted good sportsmanship. Your voice and devotion to MHS are imprinted in the memories of thousands of graduates and community members. We wish you a long, healthy, and enjoyable retirement.

¡Gracias por los recuerdos y buen camino a la jubilación! Hasta la vista, Señor Breen.

Susan McGurk

Mrs. McGurk dedicated more than 20 years to the students of Middleborough High School. Her love of the Spanish language and the Spanish and Latino cultures shone through her amazing teaching in the classroom every day! Her love of Spanish was only outmatched by her love of her students. Mrs. McGurk loved each one of us as if they were her own children. Mrs. McGurk was an incredible advisor to the YES Club, too, where she taught us how to care for our planet.

We love you, Mrs. McGurk, and we will miss you dearly. We wish you only health and happiness in your well-deserved retirement!

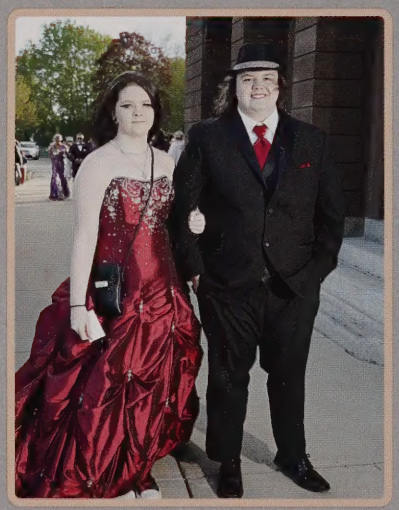
Katherine Scanlon

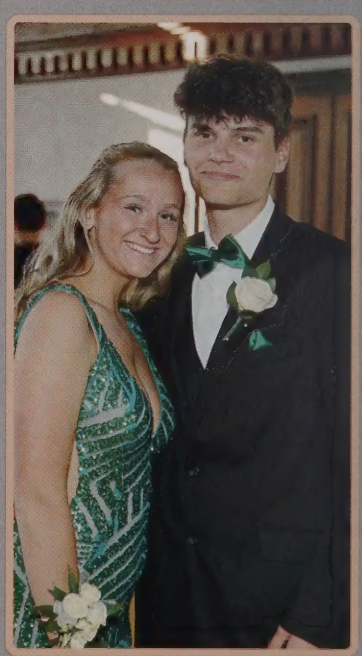
Mrs. Scanlon has been a dedicated employee in the district for more than 20 years having worked at many buildings and has held many different positions throughout her storied career. She began in the Pre-K and kindergarten programs guiding and helping our littlest students. Her caring and kind personality was a treasure to the littlest learners. From there, she took a position with Food Services helping our cafeterias run smoothly. Mrs. Scanlon then moved to the front office at HBB as a School Year Administrative Assistant for eight years before finding her home at MHS as a Full Year Administrative Assistant where she quickly became a key member of the main office staff.

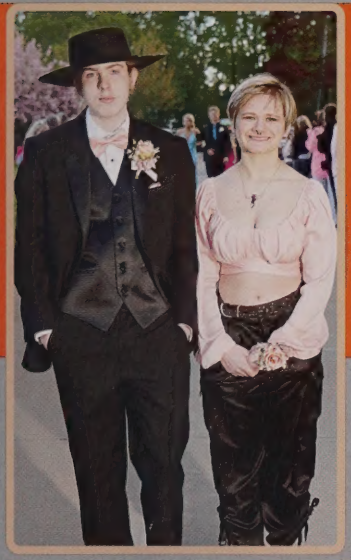
She is the first person to welcome visitors, students, parents/guardians to MHS and is truly the face of the MHS Main Office. Her compassion to all students is unwavering and she has built many positive relationships. She is always ready to give a smile, lend an ear or say a kind word and never hesitates to help staff, students and parents alike.

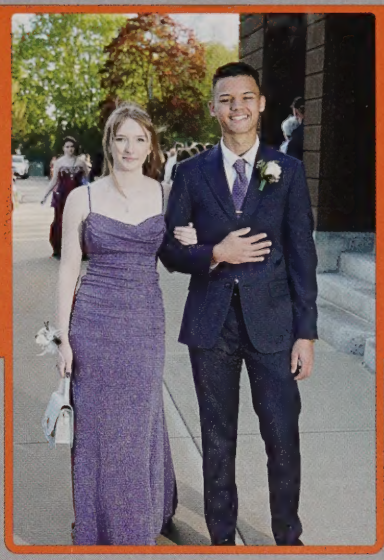
Mrs. Scanlon has had a tremendous impact on everyone who walks the halls at MHS and she will be greatly missed. She is kind, compassionate, caring, patient and so much more. We wish her nothing but the best!

Junior Prom

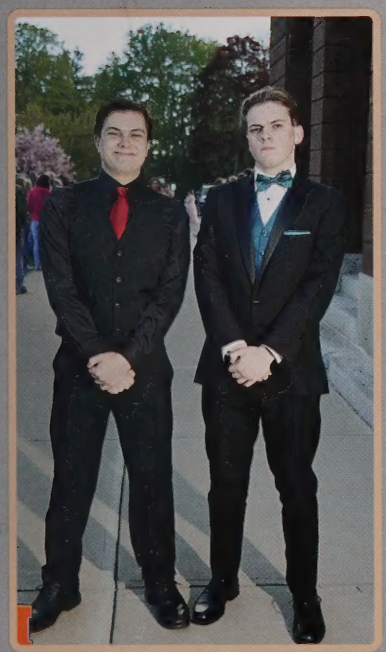


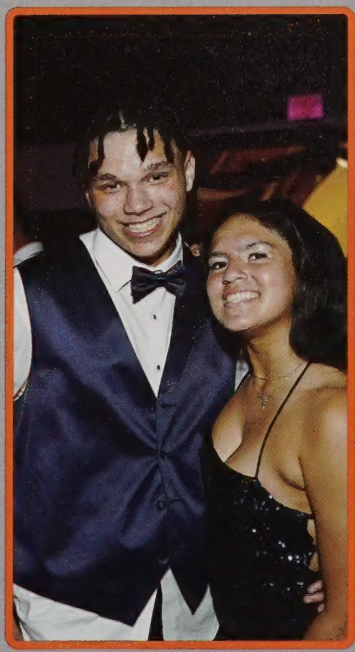






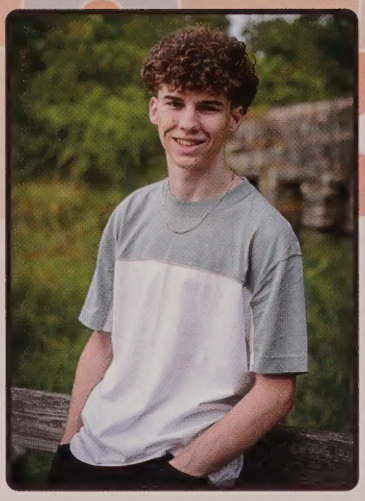
On May 11, 2024, the Class of 2025 upheld Middleborough High School tradition by hosting the annual Junior Prom in the Middleborough Town Hall Ballroom. The attendees danced the night away under golden lanterns, as the prom had a 'Tangled' theme. Will Donahue and Melina Freitas took home Prom King and Queen, respectively, with Patrick Wilson winning Prom Jester.



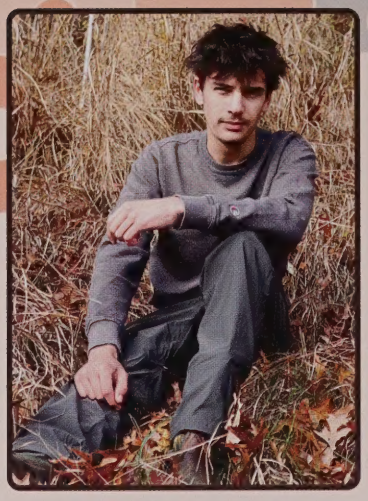


Laynie Abair

"I feel like I'm forgetting something..."



Niovanni Abruzzo



Aamer Amin

"Don't let anyone who's not in your shoes tie your laces."

Step up Rally

The school kicked off the new year with the entire student body packing the gymnasium with speakers, Melina Freitas, Jacob Waterman, Will Donahue and Sophia Nardullo leading the charge with no guest speaker by their side. The rally really set the tone for the upcoming school year with great energy, fun games, and activities such as musical chairs and the half court shot challenge.

Start Strong

Every year in August, the upperclassmen Sachems plan and organize the annual freshman orientation, "Start Strong", to make the incoming freshman class's transition from Middle to High School seamless. This year, 2024 Start Strong Coordinators, Melina Freitas and Amanda Gunnison, paved the way for a great two-day event which included awesome and engaging activities such as scavenger hunts around the building, Olympics on the turf, and helpful workshops within classrooms for the Class of 2028. Seniors and Juniors worked for months in advance planning for this, and it's safe to say that the tradition is stronger than ever. Start Strong remains a staple here at Middleborough High School.

Spirit Week and Homecoming

During the week of October 16, the Sachems had their annual spirit week with themes including Movies vs Movies, Pink Out, Bikers vs Surfers, and Boston Sports. Friday night, the student body attended the Homecoming Tailgate on the MHS quad, where there was food, games and a class cup competition. The tailgate was followed by the Homecoming Football Game, where the Middleborough Sachems took on the Norwell Clippers. On Saturday Night, the Sachems packed the gym and brought their dancing shoes for the Homecoming Dance, with Jacob Waterman and Olivia Hartman winning Homecoming King and Queen, respectively.

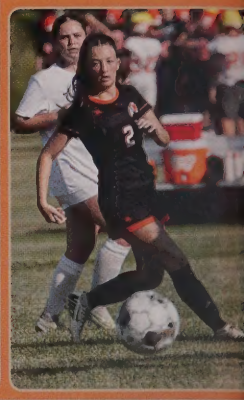
PowderPuff

The annual PowderPuff game took place on Monday, November 25th, 2024. It was a clear, cool, and perfect night for some flag football. Girls from the Senior Class of 2025 and Junior Class of 2026 took their skills to the gridiron for the classic game, where it was the Senior Class who took the victory for the evening. This now marks the third year in a row the Senior Class has won the game. The action was easy to find throughout the night, as halftime performances from the Male Cheerleading squads took everyone in the audience and on the sidelines by storm! All in all, it was another great night of Powder Puff on the MHS turf, and the tradition is sure to live on for the upcoming year.

PowderPuff



Riddell

Olivia Hartman

Sachem Sports

Sachem Football

Although the football team did not have as good of a record as was anticipated, the season should not be considered a failure. As a team, they showed a great sense of pride, grit, and relentless effort. The seniors were sent out on top, defeating our rival team the Carver Crusaders 34-6 on Thanksgiving Day.

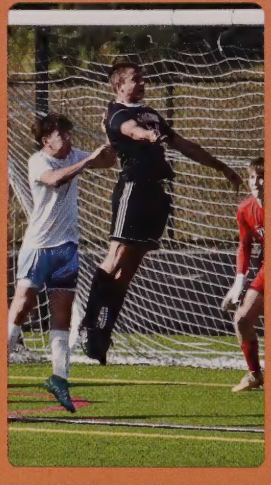
Boys Varsity Soccer



Although it was a tough season, there were a few bright spots. Captained by Joao Nascimento, Trey Baker, and Seniors Greg Boyd and Andrew Donahue, the Boys Soccer Team had their most wins in the last four seasons this year. Thanks, to the help of All Stars Trey Baker and Nick Confar. Though the record may not reflect it, the team played very well through multiple stretches throughout the season and showed some true promise to a bright future within the next few years.

Tristan Sybertz Jr

Girls Varsity Soccer

The Girls Varsity Soccer team finished the season with a record of 5-11-2 led by Denis Cutler, Justin Pittsley, Co-Captain Jessica Perry, and Olivia Mather. This showed immense determination through every challenge they faced. They dealt with more injuries than expected causing low numbers but that did not stop them from coming together as a team and having a fun and hardworking season. The Girls Varsity Soccer team has continued to improve and the 2024 season will forever be memorable.

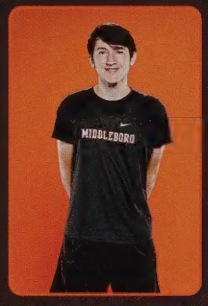
Boys and Girls Cross Country

Seniors



Alexander Fregault

Lekan Sotonwa

Connor Teceno

Girls Cross Country:
The Girls Cross Country team had a great season with a record of 7-1. The team was very hardworking and each member contributed in one way or another. The team made many improvements and PR's throughout the season.

Boys Cross Country:
Cross Country is a sport in which the winners are determined by the runners who decelerate the least and work together as a team. What this means is, that it's not just about who is the fastest, but who has the thresholds to control their aerobic capacity and maintain it the longest for the extent of the race. To this statement, Middleborough High School XC has had such a successful season, going 8-1 in the South Shore League on both sides. We have been working towards this all summer, building up mileage, and doing the little things. Just so we could accomplish our team goal of "going Undefeated in the league", in the end, we came up a little short with one defeat, but this did not mean individual goals were not accomplished. We had 2 team members go under 16 minutes for the 5K, Lekan Sotonwa- 15:34 minutes ranked 5th best in the state/ league MVP, and Atley Phinney- 15:48 minutes ranks 10th best in the state, also winning the South League Championships. All these achievements go to show how successful a season the XC team had. At the end of the day, it was the bonds that were made along the way that were most important.

Field Hockey

Seniors

Kayleigh Graham

Olivia Hartman

Sydney Jones

Sydney Nickerson

Delaney Robinson

Morgan Stadelmann

The Field Hockey Team finished the season 5-10-1 making it to the first round of tournament after beating Malden High School 3-1 in a preliminary game. The top scorer of the season was Olivia Hartman with 11 goals. Kayleigh Graham led the team with 7 assist and Yuli Owens had 178 saves in the net.

Volleyball

Jocelyn Bush | Kelsie Cady | Janie Casavant | Avery Cormier | Mariah Elliott | Sarah Gamble | Mia Lee-Bowens | Allison Murphy | Zacara Nicholas | Sofie Young

Seniors

The Volleyball Team had a tough season this year, but it's important to look past the record. there was a lot of progress made and they persevered through some challenging games. With seven returning players next year, they hope to use those experiences to come back even stronger next year.

Fall Cheerleading

Middleborough High School cheerleading had a different but great season. Led by Captains Tai Sylvia, Jiadah Jacobs, and Sophia Nardullo. This year the focus was the sideline team, and taking a break from competition. The sideline team was filled with school pride which was carried on and off the field! We brought unmatched energy to every game, pep rally, and event. From intense practices to incredible performances, every cheerleader showcased their dedication and abilities and brought electric energy to our school community. With unwavering support from teammates, captains, and coaches, our team thrived and had a spectacular season!

Trevor Dillon

Cole Kelleher

Ryan Marzelli

Jacob Waterman

The MHS Golf team had a season full of ups and downs, but they always made sure to bring good vibes. Led by Captains Trevor Dillon and Ryan Marzelli, they finished with a 4-10 record, improving from the year prior. Trevor Dillon, Ryan Marzelli, Jacob Waterman, and Shannon Sylvia represented the team in the League Match, finishing in fourth place.

Majorettes

Senior

Corinne Horsman

The Middleborough Majorettes had another incredible season, dazzling crowds with their halftime performances at the Varsity Football games! Under the leadership of Senior Captain and Feature Twirler Corinne Horsman, and Coach Lorraine Frawley, the majorettes showcased their skills at five games this fall. Highlights of the season included unforgettable daytime fire-twirling performances in early September, followed by three electrifying appearances under the lights at Friday Night games. The majorettes truly lit up the field with their talent and spirit!

Wrestling

It has been an electrifying season for the Wrestling Team. They were named South Shore League Champions for the second year in a row. This dynamic team worked hard and a great effort was made by all in their individual matches. Congratulations to Ken Mentee for being the first ninth-grader in state history to earn 100 wins in wrestling.

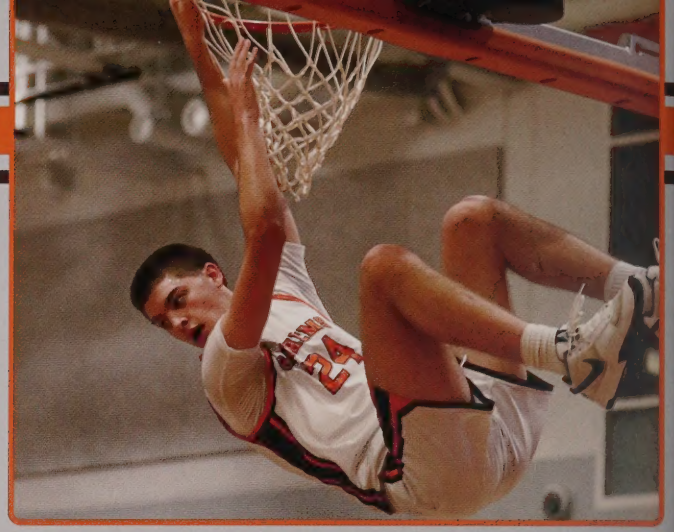
Boys Basketball



Seniors

Jackson Davenport

Matthias Evirs

Ryan Marzelli

Brady Roche

The Boys Varsity Basketball team had another successful season, once again qualifying for the MIAA Tournament where they look to make another run. Led by Coach Pauze, Coach Zutaut, Coach Ulrich, Coach Wiksten, and the four senior captains, the team consistently stepped up to whatever challenge was ahead of them. There was great chemistry across the board, whether they were on the court with each other, on the bench cheering for each other, or off the court cracking jokes. Overall, the team had a very successful and enjoyable season and is set for future success.

Girls Basketball

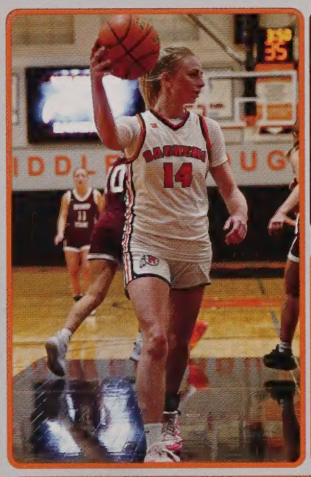
Seniors

Natalie Kerstein

Sophia Moxley

Jessica Perry

Brianna Rodrick



The Girls Varsity Basketball team has had a challenging yet successful season. They have defeated tough opponents like Apponequet and Cohasset who pushed them in the right direction towards tournament. This team has an intense work ethic but also knows how to have fun whether it be at practices, games, or team dinners. The girls and coaches make a long winter season exciting and enjoyable.

Ice Hockey

This co-op team had a successful year led by Captain Wyatt Goyette and Carver Alternate Captains Levon Mulready and Keegan Wentworth. The team was very competitive throughout their South Shore League schedule and attacked each game throughout the season as a strong united team. Offensively the team was led by Goyette, Xavier Valcorba, Carter Poh and Jacob Picher. One of our greatest strengths this season was our strong defensive core led by Levon Mulready, Gavin Pyne and EJ Wanke. Goaltender Connor Mitchell was a cornerstone to the team's success tending the net. During the season, Goyette broke the assist record and became the all-time program leader for assists and tallies in high scoring and passed his 100th career point. The team has three seniors graduating from other schools in the co-op but will be a serious contender next year within our league and Division 3 as we have 20 players returning.

Boys & Girls Swimming

Although the team was initially minuscule, the boy's team combined with East Bridgewater and combined talent. It was a good season with many swimmers making new Personal Records in each meet. The team won some meets, none of which could have been attained without the coaching of Sean Siciliano and Ms. Gisherman's constant motivation. All in all the boys had a great season and it was fun season. The team did face some ups and downs, but the ups outweighed the downs tenfold. The team eventually ranked second in the South Shore League.

The Middleborough Girls Swimming & Diving Team had a very successful 2024 - 2025 season. This season, the girls and boys started a co-op with East Bridgewater High School and incorporated the Middleborough and EB middle schools athletes. This introduced many new swimmers to the team as well as middle school students who tried both swimming and diving for the first time. With the help of coaches Sean Siciliano and Kayla Gisherman, the girls created strong bonds and were able to support every swimmer and diver on the team. The girls gained a lot of new talent from the EB swimmers as well as improvement from returning Middleborough athletes. They finished out the season with 7 wins and 3 losses for dual meets and ultimately earned second place in the South Shore League Championship meet. The girls team sent one EB swimmer (Chloe Blette) to the State South Sectional Meet where she earned 8th place in the 100 yard breaststroke. The team is looking forward to another successful season next year and continuing their partnership with East Bridgewater.

Carolyn Dietzsch

Konstantinos Zeimbekis

Seniors

Gymnastics

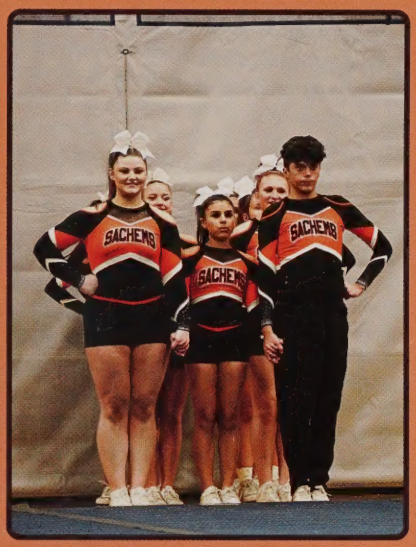
The season was a great success not only with winning two meets, but by having a close knit team with the new co-op with Lakeville. Every team member showed great sportsmanship and overall love for the sport of gymnastics. It was a fun and exciting season filled with new skills and great scoring accomplishments. The team was led by underclassman co-captains Olivia Redder and Brianna Burr. The team bonded over themed practices and after-meet meals. They hope for many returning gymnasts next year and to continue having fun while perfecting events.

Winter Cheerleading

Seniors

Jiadah Jacobs

Sydney Jones



Being a part of Winter Cheer means that you become a part of a family. This year there were so many new faces that joined the Cheer family. This energetic group had a lot of fun getting to know each other and worked hard learning and perfecting their skills. This team persevered through injuries and other challenges but remained positive throughout the season.

Winter Track & Field

The Girls Indoor Winter Track and Field Team had an impressive season finishing with a perfect 5-0 record to win the South Shore League Championship for the 8th consecutive year. They also secured the South Shore League Meet Championship. Senior, Mia Lee-Bowens, was a standout being unanimously voted as the league MVP. All-stars included Jocelyn Bush, Paige Strong, Charleigh Butler, Kylie Gillpatrick, Ana Machado, and Meg Youngquist. Notably, Lee-Bowens set a new school record in the 55m dash and qualified for nationals in the 55m Hurdles. It was a memorable season with a great effort made by all.

The Boy's Indoor Winter Track and Field Team had a successful season going 4-1 on the season with a close loss and everyone contributing. Individually the team had many stellar performances with Lekan Sotonwa topping school records in the mile and 2 mile, and Atley Phinney in the 600m and 1000m. Other stellar performances were Andrew Falk jumping 21' 4.5" in the long jump winning the SSL league and Caiden Carrioluo running 6.88 in the 55m dash. National Qualifiers were Andrew Falk, Caiden Carrioluo, Atley Phinney, and Lekan Sotonwa in the SMR and Atley Phinney in the 1000m. The top 5 point leaders for the boys were Andrew Falk, Lekan Sotonwa, Atley Phinney, Jackson Collins, and Caiden Carrioluo. South Shore League All-Stars were Andrew Falk, Atley Phinney, Caiden Carrioluo, and Alex Fregault with Lekan Sotonwa winning league MVP for the 2nd year in a row. The team has had a successful year with lots of improvement across the board!

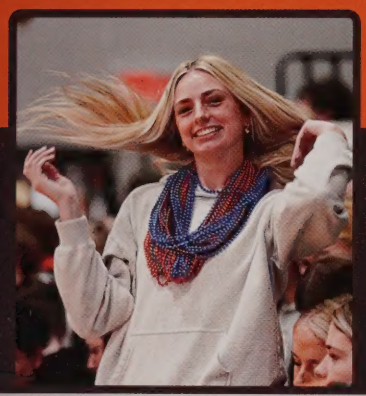
Softball

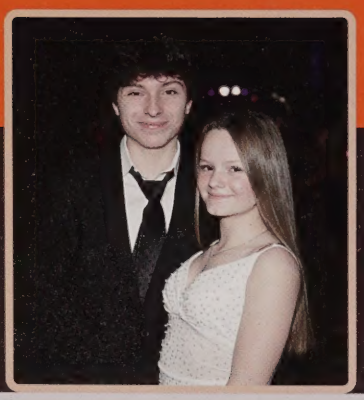
Thanksgiving

Rally



On November 26th, 2024, MHS continued it's long-lasted tradition of having a Pep Rally to close the school day before the Thanksgiving Recess. The high-spirited rally included the year's theme of "ALL IN," as the school decked out in their orange and black in preparation for the Thanksgiving Football Game against rival Carver that followed days later- and resulted in a Sachems blowout victory. Rally games, like the mattress slide and rock paper scissors tournament got the crowd up on their feet and cheering. It was great to see all 4 grades competing for Class Cup Points and hyping up the Sachem Spirit before the break!

Winter Ball



The Winter Ball was a magical night and a winter wonderland. The students dressed up in their best outfits to dance the night away and take pictures in the photo-booth. Congratulations to all of the court nominations and to the crowned Ice Queen Jessica Perry and Ice King Andrew Donahue.

Project 351 is an independent nonprofit organization that builds a movement of youth-led service by engaging an unsung hero from each of the Massachusetts 351 cities and towns. United for a year of leadership and service, ambassadors transform communities, elevate kindness, advance social justice, and gain the courage, compassion, and capabilities to lead change .

Project 351

Liam Lenahan - 2025
Lily Price - 2026
Grace Lynch - 2027
Jacob Gunnison - 2028

William Soule

Student Trooper Every year, Middleborough High School sends students who are interested in becoming police officers or pursuing a career in law to attend a camp at the Massachusetts State Police Academy. These students learn about safeguarding American freedom and rights.

Edward Parkinson

School Committee Representative The Middleborough School Committee selects a student representative from the high school each year. This person updates the school committee on upcoming high school events, and allows students to have a voice during meetings throughout the school year.

Carolyn Dietzsch
Lily Price

School Advisory Council Each year, a few students are elected to the Student Advisory Council (SAC). These individuals represent Middleborough High School at the Student Advisory Council, where students discuss legislation that impacts all students.

Nina Travers

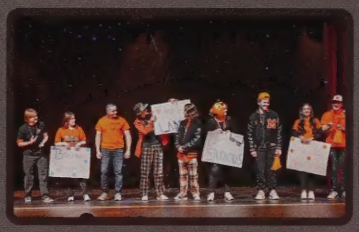
School Council The school council is an integral feature of the Education Reform Act and a vital resource for the management of the school. It creates a site-based management team that allows teachers and administrators to work with parents, students and the community in the decision-making , budget, and development of the school's improvement plan.

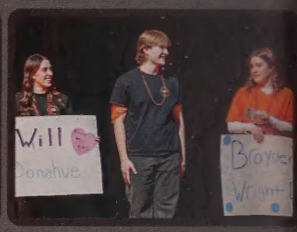
Welcome Back Dance

To conclude the Welcome-Back week activities, the MHS Student Council hosted a Welcome Back Dance in the Cafeteria in September. Hawaiian shirts and leis flooded the room, as this year's beach theme was one to remember!

Mr. Middleborough High School

On January 30th, Seniors Danny Mosley, Brayden Wright, Joe Ladd, Will Donahue, and Jacob Waterman took the stage in front of the bright lights and a great crowd- continuing the long-lasting tradition of Mr. MHS. Brayden Wight stole the show on his electric guitar, earning him the title of Mr. MHS for 2025!



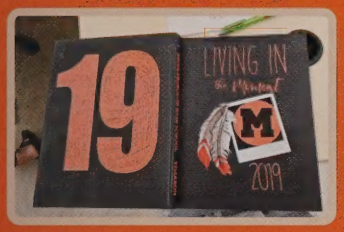


High Five Friday

On Friday, October 11th, Middleborough First Responders welcomed students into school with a line full of smiles and high fives!

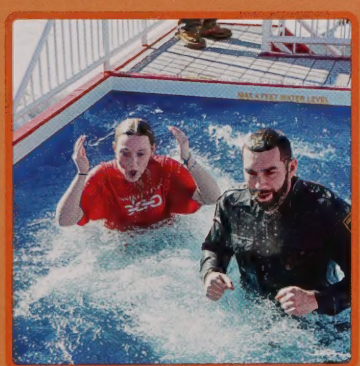
Designing this Year's Cover

The yearbook staff and artist Rick Brooks worked in a collaborative process to design this years cover. The staff was inspired by the 2019 yearbook and also obtained a rough sketch from Mr. Jason Bean..



Polar Plunge

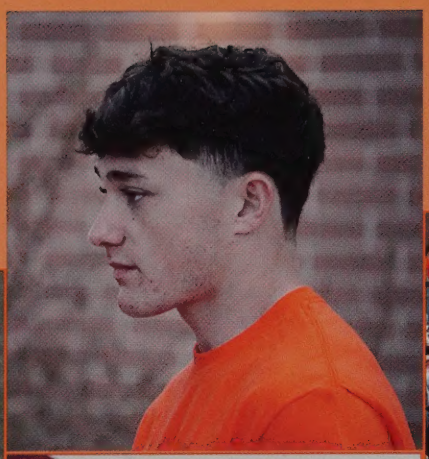
On February 14, 2024, brave MHS students and staff took the "Polar Plunge," into the frigid dumpster filled with water in efforts to raise money for Special Olympics of Massachusetts. It was so great to see everyone come together and beat the cold for such a great cause.



Key Club's Eat to Heat

Every year the Key Club sponsors the Eat-to-Heat fundraiser that donates money to the Fuel Assistance Program sponsored by Middleborough Gas and Electric. This years Eat-To-Heat took place on December 10th in the MHS Cafe with food catered by Lorenzos.

Senior Sunrise



The Class of 2025 kicked off their Senior Year by all coming together on the first Friday back from summer break on the MHS quad, where they watched the sunrise together to mark the beginning of their final journey of high school.

On November 14th, 2024, over 120 students of the Senior Class hopped aboard buses with an unknown destination; a true "mystery ride."
Students and over 20 staff members dug into Pizza and Shirley Temples to start the night, speculating about where everyone could be going. With 4 bus loads of kids and staff, the Class of 2025 headed to Providence, RI and spent hours of fun at Level 99- a social gaming playground where there are over 50 challenge-based rooms inside. The night was a huge success, and will surely not be forgotten by both students and staff!

Senior Mystery Ride

Credit for Life

The Credit for Life Fair is an interactive event held at high schools across Massachusetts and beyond and hosted by financial institutions and other organizations. The goal of Credit for Life is to prepare students to survive financially in the everyday world BEFORE they leave high school. Students choose professions, assume the roles of 25-year old 'professionals with paychecks' and use their monthly 'salaries', 'credit cards' and 'savings accounts' to purchase everything they will need to live as adults. The goal of the day: to balance their budget and not overspend. This event is organized and underwritten by the Bank.

PowderTuff Volleyball

In March 2024, the Class of 2025 PowderTuff Volleyball team was dominant throughout the tournament. Going undefeated against three other Class of 2024 teams, they brought home the championship.

The Middleborough High School Student Council is comprised of approximately 200 dedicated students who are committed to serving our school and community. They organize various events such as pep rallies, spirit weeks, and homecoming, while also prioritizing community service. This year, they volunteered at the Jimmy Fund Walk, hosted food and toy drives, and organized the MASC Unified Bocce tournament, among many other events. They also actively participate in regional SEMASC conferences, as well as the MASC state-wide student council conference. They hold council meetings which are designed to foster leadership skills through workshops and interactive games. They empower each member to grow into a better leader and to create a positive impact.

Foreign Language trip to Europe

This year 42 students went to France and Spain for the first time since before COVID! Led by Ms. Redpath, the group traveled to Paris, Biarritz, Burgos, and Madrid! This 10 day European excursion sponsored by the World Language Department was a blast! Students got to immerse themselves first-hand in the languages, cultures, and histories of the two beautiful countries! We saw the Eiffel Tower, took a Seine River cruise, visited the Louvre, walked the beaches of Biarritz, visited the Guggenheim, toured the streets of Toledo, attended a Flamenco dinner, saw medieval synagogues, visited the Prado Museum, and so much more! It was truly the trip of a lifetime! Faculty chaperones included Mrs. Salamone, Mr. Mosher, Mr. Cutler, Mrs. Laine, Ms. Lemieux, and Ms. Tobin.

Band

Marching and Concert

The Middleborough High School Band has been hard at work preparing for football games, pep rallies and the Holiday Concert. This spring they'll perform in the Performing Arts Showcase and Spring Concert and will also be traveling to NYC for a festival.

Orchestra

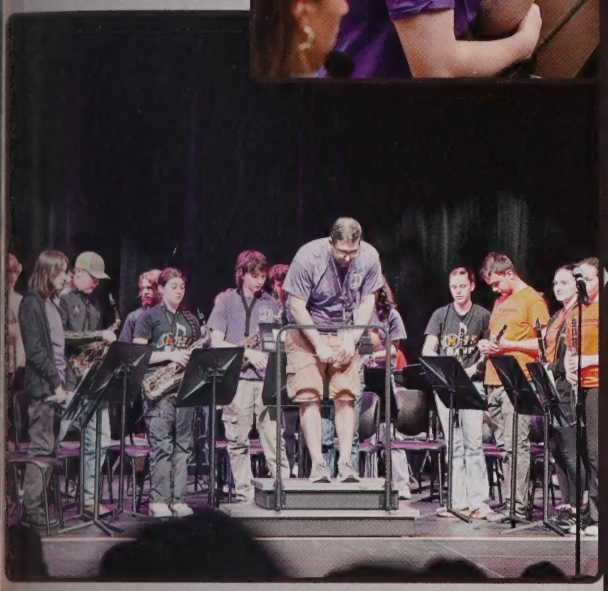
The MHS Orchestra performs at numerous events, such as the Holiday and Spring Concerts, throughout the school year. Students prepare and perform challenging music and also participate in a variety of music department activities, such as music festivals.

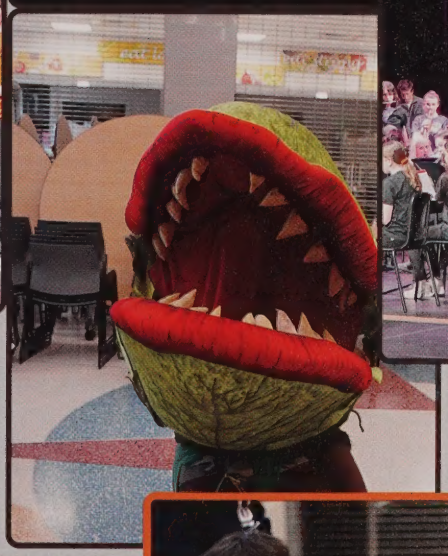
The Middleboro High School Concert Choir, directed by Ryan Struzziery, is made up of a group of students who are passionate about singing and performing. They had to audition for their spot in this choral ensemble. They sing many different types of music and genres such as acapella pieces, musical theatre songs, and many classic scores. There are two annual concerts, one in the winter and one in the spring. The group has participated in many performances such as school assemblies, showcases, SEMSBA, and festivals.

Concert Choir & Sachem Singers

Fine Arts Festival

Tue Dani Duggan Fine Arts Festival is a celebration of the work of our Middleborough Public Schools students from across the district. The festival provides the community with an opportunity to see the various artwork and performances our students work hard to put together.





Sachem Buddies

Sachem Buddies, formally known as Best Buddies, is a club that meets once a month. It is composed of our differently abled students and our general ed students. Students participate in organized games,, craft, and conversation. These times with all of the students build friendships that evolve inside and outside of the classroom. Many students that participate are also involved in our unified sports program.

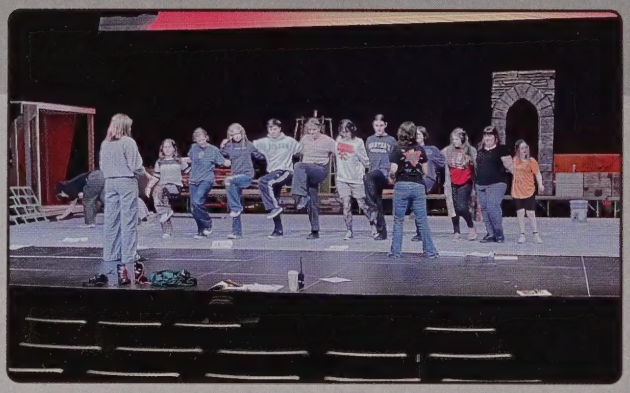
Speech and Theatre Workshop



Speech and Theatre Workshop, or STW, is an educational program that teaches students all they need to know about performing on stage along with being able to work behind the scenes. This program is directed by Ms. Hannah Bradley and Mx. Samuel Mosher. STW is constantly working throughout the school year by starting off with the musical, then moving into competition season with festival and the winter play, and finally ending the year with "That's Entertainment." Along with these performances, STW has also started to produce senior showcases that allow students to take the role of director and produce their own show. STW gives students the chance to connect with each other through the art that they create.

Fire Science

This outstanding internship program, hosted by the Middleborough Fire Department in collaboration with the high school, provided 10 seniors with the unique opportunity to train as a firefighter for their senior year. Students received classroom and hands-on instruction on fire behavior, SCBA, ladders, ropes and knots, search and rescue, vehicle extrication, and ice/water rescue. Curriculum modeled after Firefighter I/II certification taught at the Massachusetts Firefighting Academy.

That's Entertainment #45

That's Entertainment is a variety show performed by Speech and Theatre Workshop every year. This show aims to foster Middleborough's community and to celebrate the arts. A new theme is picked every year and it is common for it to be student written. This show in particular has been a huge part of Middleborough's community for over 45 years now and it brings together every section of the school, no matter what interests they may have. STW loves producing this show and it provides both high emotion drama and hilarious comedy to the audience.

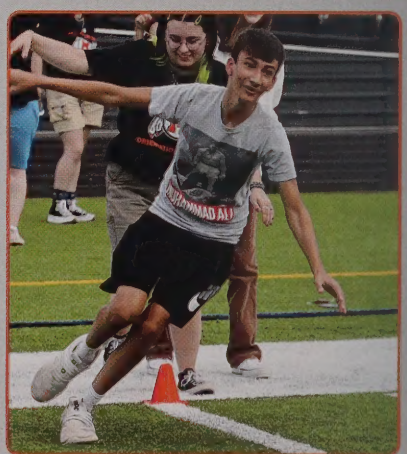
Freshman Start Strong 2021



2021 Start Strong was a unique one, as it was the first ever Start Strong to take place in the new building. Not to mention, the year prior, COVID-19 did its damage on the program, as it was a one day, two hour event that took place outdoors. However, the Class of 2025 was fortunate enough to get the full Start Strong experience, with two days filled with team building games, workshops, and fun around the school. On day one, Freshmen were placed into their Senior-Led groups, and came up with slogans and team names to battle each group outside on the turf for the "Olympics". On day two, the day consisted of a workshop presented by Mr. Branagan, an activities fair in the Gym, and guided tours around the brand new, state of the art building. It is safe to say that without the crucial two days of fun, the Class of 2025's freshman year would not have been off to as smooth of a start as it was.

Niovanni Abruzzo

To my handsome grandson.

I have loved you since you were born. Watching you grow and learn from your mistakes has been one of my biggest joys. Wherever life takes you- always know your worth. You are smart, strong and capable of anything. I may not be there physically, but I will always be in your heart. Congratulations on your graduation. I knew you would make it all along.

Love, Nana Banana

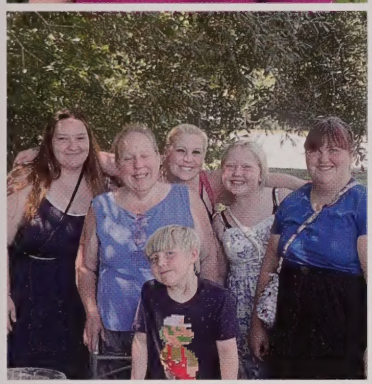
Congratulations Sadie!
Your achievements make us incredibly proud. We can't wait to see all the amazing successes you'll reach in the future.

Keep up the amazing work! We love you!
Love, Mom, Dad, Granny, Grandpa, Auntie Jas, and family.

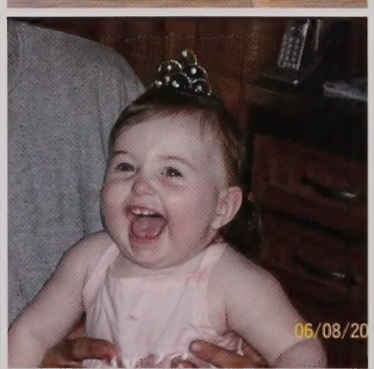


Natalie Kerstein

Congratulations!

We are so proud of you and all your hard work. Excited for your next chapter!

Love, Dad, Mom & Julie



Skye Sophia Lawrence

May sunshine and happiness surround you always..in our hearts you will remain forever young

Love, Mom & Dad

Kailey Coakley

Momma is so proud of you baby girl, dream big and reach for the stars!

Love Momma

Tai Sylvia

Tai,

Watching you grow into the sweet, honest, and bright young woman you are has been one of our greatest joys. Your leadership, determination, and bubbly spirit continue to inspire everyone around you. You've handled challenges with grace and fill our lives with laughter. We are excited for this next chapter, but truly grateful for the incredible person you have become. We love you beyond measure and will always be here cheering you on.

Love Mom and Dad

Congrats Cai!

We are so proud you are graduating and
of the adult you are becoming.

You never stray away from being who you are.
You are creative, funny, loving, kind, smart, and so much more!
You will be successful at whatever you set your mind to.
Thank you for teaching us how to parent and for
being such a strong role model for the boys.

Love- Mom, Dad, Declan, & Cullen

Bryn Marando

CONGRATULATIONS!
Bryn,
We are so very proud of you and who you have become! You are the most selfless, giving, kind and loving person and along with your determination, you can do whatever you put your mind to! We can't wait to see what the future holds for you!
Forever My Sunshine xoxo
Love you so much,
Mom, Matt, & Emma

2024 – 2025

WORLD BEAT

JEUX DE LA XXXIIIe OLYMPIADE
PARIS 2024

SWEET 16

At 16 years old, Quincy Wilson was already the American high school record holder in the indoor and outdoor 400 meters. Then he became the youngest male track and field athlete ever to win gold. Although he was not part of the 4x400-meter relay finals, he ran the leadoff leg for Team USA in the qualifying round. Team USA won the final and broke the Olympic record with their time of 2:54.43.

BILES IS BACK

At the 2024 Olympics, Simone Biles cemented her status as the most decorated gymnast of all time, if not greatest athlete. With seven Olympic gold medals and 30 World Championship medals, Biles, 27, returned to Paris determined to overcome the "twisties," which caused her to lose track of herself in space and withdraw from several events in the 2020 Tokyo Olympics. In Paris, she won four more medals – Gold in all-around, vault, and team, and silver on floor, bringing her Olympic medal count to 11. Sports Illustrated named her their 2024 Sportsperson of the Year.

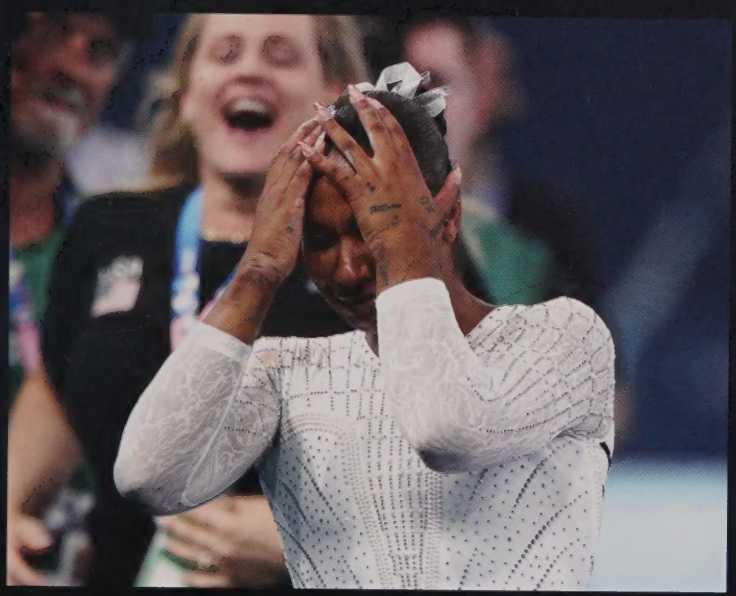
PHOTO FINISH

Ending a 20-year drought for the United States in the 100-meter race, Noah Lyles earned the title of fastest man in the world after a photo finish just five-thousandths of a second before the race favorite, Jamaica's Kishane Thompson. At 27, Lyles was known for his efforts to promote track and field worldwide. Later, Lyles earned bronze in his signature event, the 200-meter sprint and collapsed on the track at the finish line, later revealing that he had tested positive for Covid-19.

STORY OF THE YEAR:

THE GOLD STANDARD

The United States took the cake for winning the most medals in the Paris Summer Olympics. In a little over two weeks, the U.S. scored 40 gold, 44 silver and 42 bronze medals for a total of 126. The People's Republic of China, who also earned 40 gold medals, took second in overall medals with 91, and Japan took third with 45 total medals. In the Paralympics, the U.S. racked up 36 gold medals and 105 overall, earning the third most golds and overall medals behind China (1st) and Great Britain (2nd).



CHILES' CHALLENGE

On August 5 2024, U.S. Olympic gymnast Jordan Chiles earned a 13.666 score, placing her fifth among floor exercise competitors. But after her coach's successful inquiry into the score, Chiles was bumped to third and awarded the bronze medal. Romanian Ana Bărbosu fell to fourth place, until the Romanian Gymnastics Federation filed an appeal stating that Chiles' coach's appeal came four seconds outside of the challenge window. Despite Chiles' repeated appeals and video evidence of the legal appeal, she was stripped of her bronze and Bărbosu received it 11 days later.

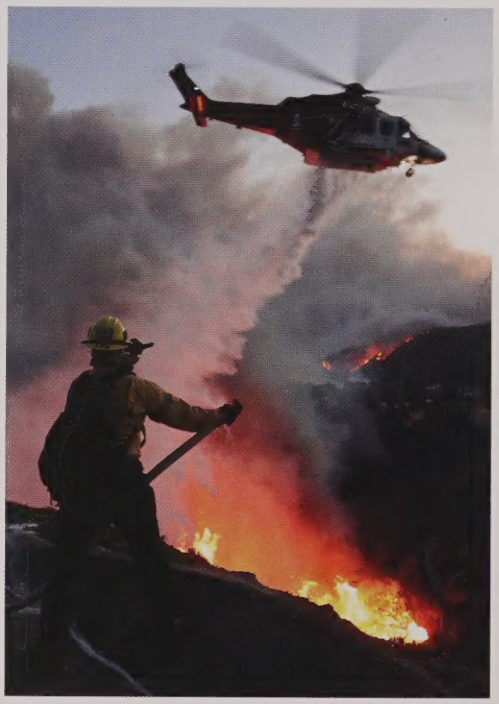
SKY HIGH SPECTACLE

A rare sighting of the Comet Tsuchinshan-ATLAS, which has been orbiting Earth for about 80,000 years, gave stargazers something to talk about in October 2024. The comet, made of frozen remains of dust, rock, and ices from the formation of the solar system, came within 44 million miles of Earth, visible for the first time in documented human history. It was thought to be two miles in diameter, with a tail as long as 18 million miles.

L.A. WILDFIRE DEVASTATION

In January 2025 a series of fires fueled by dry conditions and strong winds broke out across the Los Angeles, CA area. In only a week's time, the scale of destruction spanned more than 40,000 acres and spurred close to 200,000 people to evacuate the area. Video and news reports documented the devastating loss of life and destruction of houses, cars, and businesses. At the time of printing, reports estimated billions of dollars worth of damage, making this potentially one of the most costly fires in American history. The National Guard and firefighters from the United States, Canada, and Mexico partnered with disaster relief organizations to fight the fire on the ground and from the skies above.



TEST RELIEF

Starting in spring 2025, the ACT online test was shortened from three hours to two hour to relieve test-taking fatigue, with 44 fewer questions on the combined Reading and English passages. The Science section was removed and made optional, similar to the optional writing portion. The shorter test will debut for in-school testing beginning in 2026.

BACK TO THE OFFICE

In fall of 2024, multiple major companies shifted from their Covid-era work-from-home protocols and required their employees to report to the office between three to five days a week. Workers for Amazon, Starbucks, Disney, JPMorgan, and Zoom shifted from remote, work-from-home schedules to work in their physical offices.

HEADLINES

BIDEN BACKS HARRIS

On July 21, 2024, a few weeks after his debate against the Republican candidate for president, Donald Trump, President Joe Biden dropped out of the presidential race. With just less than four months before the election, he endorsed Vice President Kamala Harris to be the Democratic candidate.

HURRICANE SEASON

Hurricane season 2024 brought 13 named storms – four tropical storms and nine hurricanes. Three major hurricanes before November were Beryl (category 4), which hit Texas and left more than 1.7 Houston area residents without power; Helene (category 4), which struck six states and killed at least 240 people; and Milton (category 3), which struck Florida less than two weeks after Helene hit, causing further damage and killing 35 people.

ELECTION REFLECTION

With about 64% of eligible voters casting a ballot on or before November 5 Election Day, Republican Donald Trump was elected president. The former president, whose first term spanned 2016-2020, received more than 77 million votes to defeat his opponent, Democrat and Vice President Kamala Harris. Trump's 312 electoral votes marked the third straight presidential election in which voters flipped the incumbent party.

PANDA EXPRESS

Less than a year after two giant pandas, Mei Xiang and Tian Tian, as well as their cub Xiao Qi Ji, left the Smithsonian National Zoo to return to China, a new pair of pandas arrived in Washington D.C. via FedEx special delivery in October 2024. The pandas were part of a conservation program and a new 10-year cooperative giant panda research and breeding agreement with China.

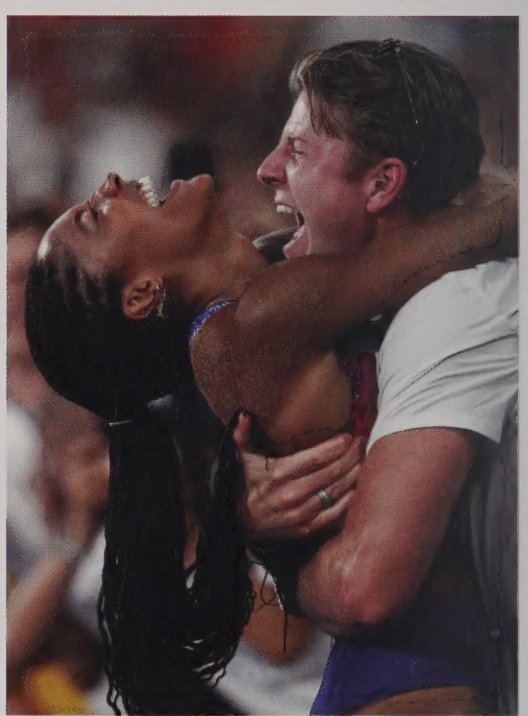
SPORTS

LEGENDS REMEMBERED

Four legendary baseball players passed in 2024. Fernando Valenzuela, age 63, was an L.A. Dodgers pitching star who won Rookie of the Year and the Cy Young Award in 1981. Willie Mays, age 93, started in the Negro leagues, hit 660 career home runs, stole 338 bases, had a .301 career batting average and was known for his charisma, earning him a spot in the Baseball Hall of Fame in 1979. Pete Rose, age 83, was a Cincinnati Reds legend and all-time leader in hits in the league. Rickey Henderson, age 65, played four stints with the Oakland A's and was a Hall of Famer with records for most stolen runs and bases.

BREAK OUT

With breaking, (breakdancing) being one of five new Olympic sports, many viewers were unsure of what competition would look like. No one anticipated that Dr. Rachel Gunn, a 37-year-old Australian professor whose breaking name is Raygun, would gain fame by losing all three of her battles, each by scores of 18-0. Her unique routines included kangaroo hopping and side spins, which had previously earned her a first place ranking at the Oceania Championships in 2023.



GOLDEN COUPLE

In August 2024, Tara Davis-Woodhall won gold in the women's long jump at the summer Olympics. In September, her husband, Hunter Woodhall, won gold in the men's 400-meter sprint at the Paralympics. The U.S. couple made headlines as their two victories were marked by their parallel emotional celebratory embraces that went viral on Instagram with more than 13 million views.

CLARK HITS THE MARK

Caitlin Clark was named the Women's National Basketball Association (WNBA) Rookie of the Year. Clark, who played for the Indianapolis Fever, started all 40 regular season games and was the first rookie in the WNBA to record a triple double – earning double-digit numbers in points, rebounds, and assists during a single game.

SWIM STARS SCORE SILVER

After not qualifying for the Olympics for 16 years, the U.S. artistic swim team earned their first medal (silver) since the 2004 Games in Athens. The sport changed its name from synchronized swimming in 2017 to reflect its updated format that required more acrobatic feats, such as launching a flier above water two meters in the air with the base of swimmers below not touching the bottom of the pool.

"the U.S. artistic swim team earned their first medal"

HOT ON THE ICE

The Florida Panthers won their first Stanley Cup in June 2024. The team joined the National Hockey League (NHL) in 1993 and had to wait 30 years to win in dramatic style. After winning the first three games of the best of seven series, they lost the next three. Making game seven even more dramatic, the final score was 2-1 over the Edmonton Oilers, with Sam Reinhart and Carter Verhaeghe scoring goals and Sergei Bobrovsky making 23 saves.

LIKE FATHER, LIKE SON

Los Angeles Lakers star, LeBron James, who started his record-tying 22nd season in the National Basketball Association (NBA), made more history on October 7, 2024 when his son, Bronny, joined him on the court in a pre-season game. LeBron and Bronny were the first father-son duo to play in any NBA game, let alone on the same team. Bronny, who turned 20 on the same night he made his NBA debut, was the Lakers' second-round draft pick after playing one season at Southern California.

OFF TO THE RACES

At 21, Carson Hocevar was the youngest National Association for Stock Car Auto Racing (NASCAR) driver in 2024 and was making headlines with his lightning-fast rise in the top division. His first career victory came in April 2024 at the Texas Motor Speedway. With several subsequent victories, Carson Hocevar was ranked 21st in his first season.

"the youngest player to win the PLD"

TOPPING THE DARTS CHARTS

British teen dart star Luke 'The Nuke' Litter was just 16 when he reached the final of the Professional Darts Corporation (PDC) World Darts Championship. At 17, Litter won the Premier League Darts (PLD) final and had amassed almost 1 million dollars in winnings. As the youngest player to win the PLD, Litter's charisma helped him gain more than 1.2 million fans on Instagram and brought a record 3.7 million viewers to his championship match against 20-year veteran Luke Humphries.

FEELING 50/50

On September 19, 2024 Shohei Ohtani became the first player with 50 home runs and 50 steals in a season in Major League Baseball history. Ohtani, who played for the Los Angeles Dodgers, made more history that night, with a combined three home runs and two stolen bases in the same game, as well as sealing his first trip to the playoffs after playing in 866 career regular season games.

MORE THAN NIL, NOW

Before 2021, college student athletes were prohibited from profiting from their celebrity, but as of September 2024, the top 100 ranked players had each earned more than $580,000 and the top paid player, Colorado quarterback Shedeur Sanders, received an estimated $4.7 million in Name, Image, and Likeness (NIL) deals. Through several court cases involving NIL, student athletes gained legal rights to control how their image was used, especially commercially.

HOOPSTER RAPPER STAR

LSU Tigers basketball player Flau'jae Johnson started her junior year season in 2024 with not just a national title (earned during her freshman year in 2023), but with a major-label record deal to feature her musical talent as a rapper. Johnson first found musical fame when she earned a Golden Buzzer in 2018 for her performance on *America's Got Talent* at age 14. At 20, Johnson dropped her debut album with Jay-Z's record label, Roc Nation.

REST IN PIECES

It takes the average person about four hours to complete a 500-piece puzzle. But 3500 competitors – both individuals and teams – at the World Jigsaw Championship in Spain trained for more speed. In September 2024, 30-year-old Kristin Thuv from Norway was crowned champ after she completed a tiger-themed puzzle in 37 minutes.

PLAYOFF EXPANSION

The College Football Playoff (CFP) expanded from four teams to 12 for the 2024-25 season after multiple conferences realigned and some debate about the previous year's selection of CFP teams. With the new format, the five highest-ranked conference champs received automatic bids, and the seven highest-ranked remaining teams received at-large bids. The top four teams received a first-round bye to the quarter finals, and first rounds took place at either the home field of the higher-seeded team or another site designated by the higher-seeded program.

IT'S NOT EASY BEING GREEN

If Barbie pink was the color of summer 2023, then Brat green dominated summer 2024, with the hashtag #Bratsummer tagged in more than 52,000 social posts. The color, sometimes described as slime green, became almost instantly iconic in June when the British pop star Charli XCX dropped her album, *Brat*. The cover art was deceptively simple, but the studio who designed it, Special Offer, said that they looked at 500 shades of green before settling on the color.

DANCING WITH THE STAR GYMNASTS

In the season finale of Dancing with the Stars 2024, two Olympic athletes remained in the competition: 2020 Olympic rugby player Ilona Maher, and 2024 pommel horse gold medalist, Stephen Nedoroscik. The 25-year-old gymnast and his dance partner, Rylee Arnold, played up his newfound fame as an Olympian and the media's hype over his Superman look-alike persona by incorporating his pommel horse routine and his Clark Kent glasses into the storytelling of their routines. Joey Graziadei and Jenna Johnson won season 33.

INSIDE OUT SOARS

Within two months of its June 2024 release, Pixar's *Inside Out 2* became the highest grossing film in 2024 and the first animated film in history to surpass $1 billion internationally. The film reprised characters from the original film, anthropomorphizing emotions like anxiety, envy, embarrassment, ennui, and joy.

PHARRELL FOR REAL

In October 2024, the animated documentary about the life of "Happy" singer and artist, Pharrell Williams hit theaters with a first-ever effect: Legos played all the subjects, including Gwen Stefani, Jay-Z, Justin Timberlake, Snoop Dogg and Daft Punk. The biopic was aptly titled *Piece by Piece*, with Lego characters voiced by the real people they played.

ENTERTAINMENT

GO FIGURE

In fall 2024, Fisher-Price announced their December release of a Little People collector set celebrating Britney Spears, which could be ordered at Target for $24.99. The set featured four mini 2.5" figures sporting hairstyles, outfits, and accessories from Spears' most iconic songs, including "Toxic," celebrating its 20th anniversary, and "Oops I Did It Again," which turned 25 in April, 2025.

MCHAPPY ADULTING MEAL

McDonald's debuted new Happy Meals for adults in August 2024 with special nostalgic collector cups. In addition to lunch options of the choice between a 10-piece nugget or Big Mac, the meal included fries, a drink, and customers received one of six classic keepsake cups, including Hello Kitty & Peanuts, Beanie Babies, Barbie & Hot Wheels, Shrek, Jurassic Park, and Minions.

"A trend at independent bookstores"

DON'T JUDGE A BOOK

A trend at independent bookstores across the United States, "Blind Date with a Book" displays cropped up in 2024 featuring books wrapped in paper with teaser text on the cover. Booksellers promoted overlooked titles with descriptions – and even illustrations by artistic employees – that piqued interest without revealing the title. "Blind Date Books" were popular at stores like Strand Book Store in New York City and Powell's Books in Portland, Oregon.

SPOOKY SZN TUNES

With Christmas holiday music playing earlier each year and the popular label, Spooky Szn, trending, music artists of all genres began to create music to add to the popularity of Halloween tunes. Artists such as the collective LVCRFT (who also wrote music for Beyoncé) wrote more than 100 Halloween songs, and Spotify's most popular Halloween playlist, "Halloween Party," spiked by 1110% in October 2024. Billboard estimated that Halloween music could generate $1 million in revenue in 2024.

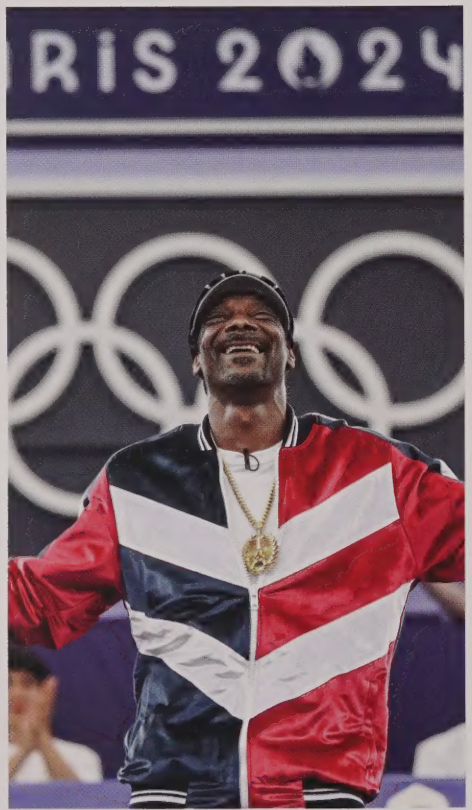
TRENDS

IT'S GIVING GEN ALPHA

Gen Alpha, kids born between 2010-2024, made their mark on 2024 with a slew of new slang terms that confounded older generations. They redefined words like "ate" (exceptionally good), "sigma" (popular), and "drip" (stylish); they coined words like "skibidi" (bad, cool, or just a filler word), "sus" (suspicious), and they brought back previous generations' slang, like "bet" (a term used to respond with excitement/agreement). The rapid spread of many of these terms was credited to popular TikTok videos.

DOGG HOUSE

When NBC hired Snoop Dogg to be a special correspondent at the Paris Olympics, the rapper turned cheerleader and charmed fans with his signature dance moves and entertaining commentary. Snoop made news with Martha Stewart visiting the horses at Dressage, dancing with Simone Biles and Jordan Chiles at Gymnastics, swimming with Michael Phelps, learning to fence in full uniform and carrying the Olympic torch.



"photography turned 200 years old"

HAPPY BIRTHDAYS!

On September 16, 2024 Pokémon celebrated its 25th anniversary of the release of the 1999 Pokémon cards, making the brand officially "vintage."

Rubik's Cube (est. 1974) celebrated its 50th anniversary by releasing a retro 3-D puzzle that sold for $14.99.

Also turning 50, *Saturday Night Live*, which debuted on NBC in 1974, celebrated its birthday in February 2025 with a three-hour live special and a weekend-long look back at the show.

Peanuts celebrated its 75th anniversary by releasing new merchandise with the iconic comic strip characters, including a Snoopy backpack.

On September 16, 2024, photography turned 200 years old, dating back to the first successful photograph by French engineer, Nicéphore Niépce.

GRAMMY NODS

In November 2024, Beyoncé earned 11 Grammy nominations for her album, *Cowboy Carter*, exceeding her previous high-water mark of 10 nominations in 2009. Sharing the prestige of earning nominations for best record, song, and album of the year were four other popular female artists: Taylor Swift, Billie Eilish, Chappell Roan, and Sabrina Carpenter. Other top-nominated artists included Charli XCX, Post Malone and Kendrick Lamar.

SAMURAI SUCCESS STORY

The FX historical samurai drama, *Shōgun*, topped the awards list at the 76th Emmy Awards in September 2024 with 24 nominations and 18 awards, including outstanding drama series and outstanding directing for a drama series. Two of the actors were also the first Japanese actors to win Emmys for best leads: Anna Sawai and Hiroyuki Sanada. The HBO/MAX series, *Hacks*, won best comedy.

WICKED AWESOME

The highly anticipated film version of the Broadway hit musical, *Wicked*, hit theaters on November 22, 2024 with tickets selling out weeks in advance. Pre-release green and pink merchandise from Elphaba Squishmallows to mix-to-reveal cake mix stocked shelves for months in advance of the film's release. The film starred Michelle Yeoh as Madame Morrible, Ariana Grande as Glinda, and Cynthia Erivo as Elphaba.

TUBI A TOP OPTION

The free streaming platform supported by paid advertising, Tubi, began to outrank commercial-free platforms like Peacock, Max, Paramount+, and Apple TV+ in viewing time. Touting a library of tens of thousands of older shows and movies far greater than Netflix's offerings, Tubi promoted its model of being free and not requiring an account for viewing. Along with vintage syndicated shows, thrillers, true-crime and horror topped Tubi's list of top genres.

TECH &

COOL SUIT, JARED!

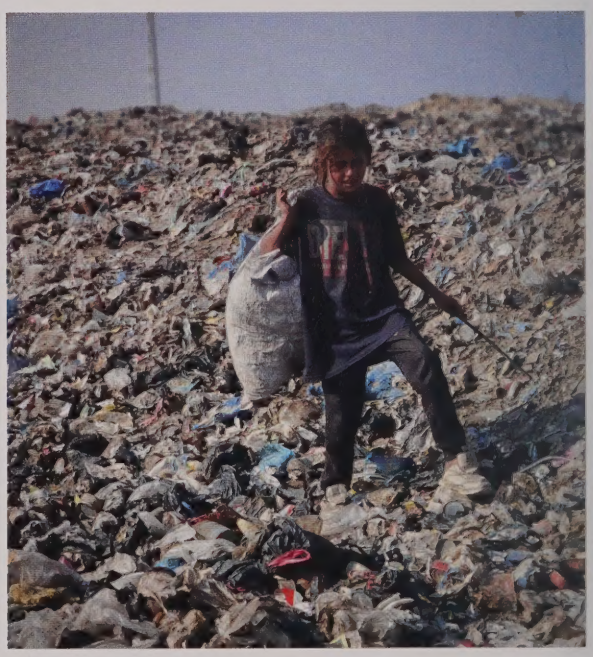
In September 2024, a billionaire entrepreneur was part of the first-ever successful commercial spacewalk in a new, untested space suit. Jared Isaacman funded and manned the *Polaris Dawn* with three other privately trained civilians who set out to learn more about how weightlessness and radiation affect the human body. The venture was part of a collaboration with Elon Musk's SpaceX mission to send people to Mars in the future.

AI COMES TO IPHONE

In fall 2024, Apple released new artificial intelligence tools in certain new iPhone models and as part of software updates (iOS 18, iPadOS 18, and macOS Sequoia). For Apple, "AI" stands for Apple Intelligence. Among the many new features, users can ask ChatGPT questions, receive answers, and have ChatGPT generate text. Apple Notes added a recording and transcripts feature. Users can also generate their own emojis, remove unwanted objects from photos, fully personalize their home screen, and rely on Siri for better understanding in answering queries.

SOCIALLY SECURE

In September 2024, Meta introduced new Instagram Teen Accounts with limits and protections for teens under 16. Teens would now need parental permission to change any of the new settings, including keeping accounts private to people teens are connected to, sensitive content restrictions and anti-bullying features, messaging and tagging limitations, time limit reminders, and sleep mode between 10 p.m. and 7 a.m. to mute notifications.



PLASTIC POLLUTION

Researchers in the United Kingdom published a report that examined how much plastic goes into the open environment, excluding plastic that goes into landfills or is properly burned. They found that the world creates 57 million tons of plastic pollution annually – enough to fill Central Park in New York City with plastic waste as high as the Empire State building, according to the journal, *Nature*.

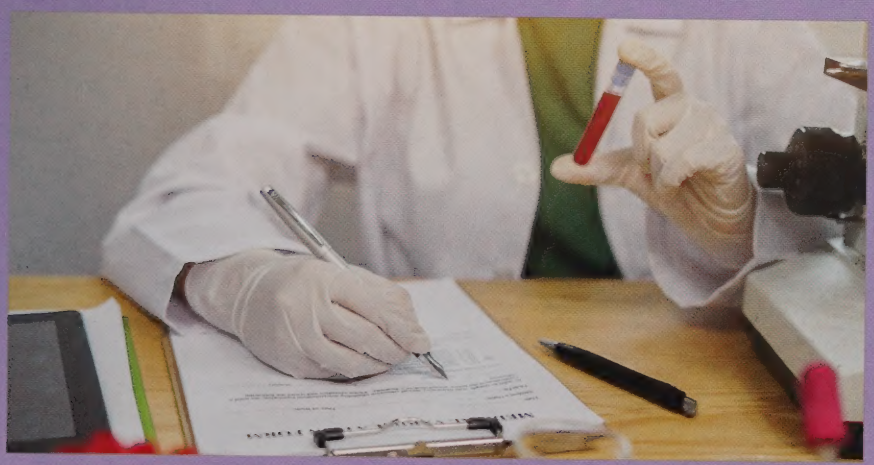
SCIENCE

SO SPACED OUT

Two NASA astronauts set out in June 2024 on a test flight of the Boeing *Starliner* space vehicle to the International Space Station (ISS) for an eight-day voyage. But after the ship showed signs of faulty software and parachutes, flammable tape and stuck valves, NASA deemed the *Starliner* unsafe for travel, leaving Suni Williams and Butch Wilmore on the ISS for eight months until February 2025, when a SpaceX crew was expected to retrieve them.

TIKTOK, YOU DON'T STOP

In April 2024, Congress passed a law requiring TikTok to divest to a U.S. owner or else shut down in the U.S. In addition, with an estimated 1.8 billion active TikTok users worldwide and social media rapidly becoming recognized for its addictive features, 14 attorneys general filed lawsuits against TikTok in October 2024, accusing the platform of harming children's mental health. The lawsuits focused on features such as 24/7 notifications, video autoplay, the collection of data of users under 13 without parental consent, and what they called "dangerous" challenges.



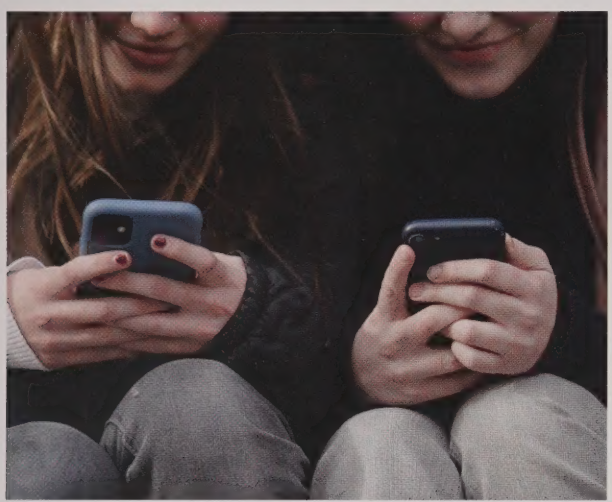
SOCK IT TO SICKLE CELL

In September 2024, treatment began for the first person in the United States to be treated for Sickle Cell disease. Kendric Cromer, 12, received gene therapy to form new cells with a normal hemoglobin gene that would replace the genetically mutated genes that cause sickle (crescent) shaped blood cells. About 106,000 people in North America have sickle cell disease, which causes cell damage and pain, and the approved gene therapy could change the lives of more than 20,000 people with the most severe pain.

TECH & SCIENCE

EXPEL THE CELL

At the start of the 2024-25 school year, at least eight states in the U.S. passed laws or issued orders to ban cell phone use during class or throughout the entire school day. With more than 70% of high school teachers reporting phone distraction as a "major problem" and with smartphones being used for bullying and to record videos of physical attacks on peers, the bans were intended to improve learning and decrease nomophobia – the fear of not having access to one's phone.



SHOE THING!

When Olympic Silver medalist Hellen Obiri from Kenya ran the women's marathon in August 2024 at the Olympics, she not only won bronze, but she also made history for her shoes. Obiri raced in new sneakers by the Swiss company, On. The laceless Cloudboom Strike LS weighed just 170 grams and was made by a robot spraying a filament onto the sole, forming the shoe upper in just 3 minutes. With no glues or seams, shoe construction reduced waste and carbon emissions by up to 70%.

AI SLOWS ITS ROLL

When ChatGPT debuted in late 2022, it wowed with its ability to respond to requests to write computer code, term papers, and answer questions almost instantly. But in September 2024 when OpenAI unveiled its newest version that could "reason" through tasks involving coding, math, and science, it showed that when the model could take its time to reason through a problem, it could improve its accuracy.

LIGHTS! ACTION!

A series of strong solar storms in September and October, 2024 created a spectacle of skies filled with the Northern lights – greens, pinks, purples, and blues – further south than usual. Parts of Germany, the United Kingdom, and the United States were treated to night time light shows, also known as the aurora borealis, that dazzled viewers and flooded social media feeds with spectators posting that they had accomplished an item on their bucket list.

World Beat is a year-in-review publication featuring news stories of the school year taken from highly regarded sources. To meet yearbook deadlines, World Beat goes to press in early January. Please note that by the time yearbooks are provided in schools, some World Beat stories may have evolved or be considered out-of-date. All depicted brand names and trademarks are the property of their owners.
